Haywood County Consolidated School System has had the pleasure of working with General Sports Venue on the synthetic turf project at the Pisgah Memorial Stadium and C.E. Weatherby Stadium.

General Sports Venue pays close attention to quality and focuses on great workmanship. Their ability to maintain a project schedule and working with the engineer and the owner as a team player has been outstanding.

Haywood County Schools takes great pride in providing the best facilities for our children. General Sports Venue has shown the same philosophy. It is without any reservation that Haywood County Schools would recommend General Sports Venue for any synthetic turf project.

Please feel free to contact Haywood County Schools regarding any questions that may arise.
