Dear General Sports Turf:

The Board of AYSO Region 277, volunteers and players extend our sincere appreciation for your generous donation of \$1,000 to our program. Your gift will enable our organization to purchase needed equipment and potentially give us the opportunity to offer less fortunate children the chance to participate in AYSO.

It is refreshing to see that there are companies that not only improve the schools and communities by offering leading edge products, but also want to donate to non-profit organizations within that same community. Everyone benefits with that type of philosophy.

Thank you for your gracious gift! Thank you for following a philosophy that makes AYSO such a positive experience for the young people of our community.

Sincerely,

Tracie L. Sparks
